

Wildflower Junior Achievement Fundraiser

Students who are part of the Junior Achievements group have been learning about and working on business opportunities. The project they chose was to produce, order, and sell hats designed by the group. They decided that *any profit would go towards playground equipment*. By buying a hat, you are supporting the kids in their learning and helping to get some new playground equipment 😊

You can also see the hat on our website at wildflower.sd8.bc.ca

Please fill out the form and include cash or cheque made out to the Wildflower by May 28. Thank you for your support!

Yes! Please order a hat for me!

_____ x \$30 = _____ total Cash / Cheque

Name: _____ Phone: _____

Email: _____

Please send my hats home with this Wildflower Student: _____
